

## SPEAKER AGREEMENT

The **International Association of Amusement Parks and Attractions** (“Association”) conducts many programs and events at which presentations are made to attendees. The Association requires all presenters at these programs and events to provide a release and license to the Association. This speaker release and license agreement (“Agreement”) by \_\_\_\_\_ (the “Speaker”) is for the following presentation(s):

including any and all related comments, handouts, illustrations, references, or other related materials (the “Presentation”).

The Speaker agrees to comply fully with all rules, regulations, policies, and procedures of the Association in connection with the preparation and delivery of the Presentation, including but not limited to required deadlines for submissions and disclosures of commercial interests or conflicts of interest.

The Speaker grants to the Association a license to record the Presentation using audio or video recording equipment or other electronic means, and grants to the Association a non-exclusive, irrevocable, worldwide license to produce, publish, modify, create derivative works from, reproduce, distribute, and/or sell the Presentation and/or any other created work prepared and provided by the Speaker in connection with the Presentation, and to do so in print, electronic, or other known or unknown format. The Speaker further authorizes the Association to use the Speaker’s name, likeness, photograph, and biographical data in connection with the use and promotion of any aspect of the Presentation or related materials.

The Speaker warrants and represents that the Presentation, handouts, and related materials do not violate any proprietary or personal rights of others (including, without limitation, any copyrights or privacy rights); that the Presentation, handouts, and related materials are factually accurate and contain no matter libelous or otherwise unlawful content; that the Speaker has obtained all necessary permissions from any persons or organizations whose materials are included in the Presentation; that the Speaker has full power to grant this license; and that there are no rights outstanding that would diminish, encumber, or impair the full enjoyment or exercise of this license granted to the Association.

It is understood that the Speaker will not receive any royalty or other monetary compensation from the Association for the license and subsequent use by the Association. This license does not prohibit the Speaker from using the Presentation or related materials in the future in the Speaker’s professional or personal work.

This Agreement shall be governed by the laws of the State of Florida, U.S.A., and any disputes shall be resolved in the courts of that state.
